

## Baldrige Winners Videos

The *EasyApp* 2006 DVD includes videos showing Baldrige winners talking about and showing you what they do in relation to all areas of the Baldrige Criteria. For each Item of the Criteria (e.g., Item 2.1)

There is video from at a minimum of 7 recent Baldrige winners for each of the 19 Criteria Items (e.g., Item 2.1 in this DEMO). Each Item also includes related video from Business (manufacturing and service), Health Care, and Education winners.

Unfortunately, the EasyApp DEMO does not include video at this time. This website has sustained more than 10,000 hits per day for over 90 days. It is too costly to post the videos due to the excessive bandwidth required. We are working on developing short samples to be added in the future. Thank you for your understanding.
